	All vessels	96.9%	96.6%	96.8%	96.0%	97.4%	95.1%	96.4%	95.3%	96.6%	96.5%	97.3%	95.8%	96.4%

1. Proportion of fleet available for services (days available as a percentage of total vessel working days).

2. Proportion of vessels which remain in service without withdrawal as a result of mechanical failure

** NOTE The two HarbourCat Class vessels were fitted with modern fuel efficient engines, requiring them to be taken out of service, reducing vessel availability in late 2009.
