

Parramatta River service notice - January 2012

Due to natural low tides in the shallow waters of upper Parramatta River, some services between Parramatta and Rydalmere will be operated by buses. The replacement buses will operate direct from the corner of Charles Street and Phillip Street in Parramatta, and Rydalmere Wharf (located in the cul de sac off John Street). Travel time between Parramatta and Rydalmere is about 12 minutes by bus. Tickets are available on the Ferry

This will affect the following departures in January:
